Mangere Mountain Trips

Four classes have already gone on this trip so far this term and I have only heard rave reviews from Students, Teachers and Parent helpers. Thank you for supporting these trips.

Clubs

This term on Thursdays at lunchtime we have introduced clubs that the students can choose to attend. We have made lunchtime longer and play shorter to accommodate them. Staff are offering the following clubs: Chess, Board games, Green Warriors, Craft club, Kids 4 kids singing club, Year 4-8 singing, Fitness club and Instrumental.

Attending a club is not compulsory but we are encouraging students to join, learn new skills and further enrich their school day.

Year 7 & 8 Trip to OPC Ruapehu

Once again through the generous support of OPC we are able to offer this camp to our Senior students at a heavily discounted rate. This is a life changing experience. We are having an information evening on Tuesday 15 May at 6.00pm. Please come along to find out more information and have any questions you may have answered.
