Reports

The teachers have been busy writing the mid-year reports for your children. These will go home to you on Friday 29th June. These reports will be followed up by Parent/Teacher Interviews on Wednesday 4th and 5th July. The interviews are always a good chance to talk to your child's teacher and to share the progress of your child. Please make sure you return the slip to book a time.

Netball

It's great to see all the support for our students playing Saturday Netball despite the weather. A reminder that all players need to be at the courts 30mins prior to their game starting.

Pasifika Meeting

It was lovely to welcome Pasifika families to the Fono on Thursday. It is always a wonderful time to share experiences.

Te Pane o te Mataaho

The loud gushes of wind blew past us with a deafening sound like a race car speeding around a track. We were looking over the city like eagles in the sky, our blue shirts were like a beacon to others looking up from their windows. The bright sun, shed light upon us sending beautiful rays of sparkly golden colours around the sky.

The peak of the mountain stood proudly above the flamboyantly coloured town, everything below us looked like ants crawling around collecting food.

HELL Pizza Reading Challenge

Children can once again participate in the **HELL Pizza Reading Challenge**, which is being run in conjunction with the 2018 New Zealand Book Awards for Children and Young Adults.

This Reading Challenge is a highly successful programme that gets kids reading and enjoying the pleasures of stories with free pizza rewards.

How the Reading Challenge works: Children are being given "pizza wheels". Every time they finish a book, the wheel gets clicked off and signed by a teacher or librarian.

Revolting Recipe by Zion Brown

How to make my special make ya vomit soup

I mean uhhh special soup yeah (hahahaha)

Ingredients:

- *1 x blobfish vomit.
- *10 x rats feet.
- *1 x 2 litres of off-milk.
- *5 x toe jam fumes.
- *15 x tbsp of ear wax.
- *5 x mashed eyeballs.

Things you will need:

- *1x cauldron
- *1x mixing tool
- *And unless you want to DIE - 1x gas mask

Method:

- First step: get a litre of blobfish vomit and tip it in the cauldron.
- Second step: get your rats feet and chop them up into little cubes and chuck them in (don't forget to chuck in the nails).
- Third step: get your gallon of off-milk and pour it in.
- Fourth step: get your toe jam fumes flip the bottle quickly open the lid and put the bottle in.
- Fifth step: get your ear wax and scrape it in.
- Sixth step: get your mashed eyeballs and scrape them in.
- Last and definitely least (as in my least favourite) get your homework and burn it and chuck in the ashes.

Wait 10-15 minutes for the toe jam fumes to settle in then stir continuously for 5-10 minutes

Then serve cold to your target - only works on people if you serve to witches - they will find it quite delicious.

(Optional live slugs with crushed snail shell and maggots).
