As part of the Lincoln to Westgate Upgrade, Makora Road is being raised, then re-sealed and a new footpath constructed on the western side of the street. The parking bays are being removed to make way for an additional traffic lane to improve traffic flow from the Royal Road off ramp. Traffic will be reduced to one lane in each direction and the median used by vehicles turning right onto Royal Road will be removed to build the new intersection.

Mechanical Monsters

Last weekend, 13 of our lucky senior school students had the opportunity to attend a workshop to design and construct some 'mechanical monster' (automata creations). The pupils used hand tools and learnt how to re-purpose and tinker with salvaged materials. They learnt from trial and re-trial and got to take their marvellous masterpieces home. A big thank you goes out to the men from Massey Community Men's Shed who organised a wonderful experience for all!

We are thrilled that the Hibiscus Hum, Royal Road's Choir is going to be performing at Kids for Kids 2017 concert: 'Kiwi As'. The concert is held at Trust Arena West on Tuesday 21 November.
