### Kids For Kids Choir

On Tuesday evening it was my pleasure to watch our students being part of a mass choir, made up of a number of Auckland schools, in support of World Vision. The children performed with Jackie Clarke and Nathan King. The children represented our school with pride and had a great time being part of the positive energy that the evening generated.

### Tiritiri Trip

Our postponed Tiritiri Matangi Island trips that seemed so far away when we rebooked them are rapidly approaching. Just a reminder the dates are 7<sup>th</sup> December for Rooms 3 and 5 and the 8<sup>th</sup> December for Rooms 13 and 17.

The parking bays are being removed to make way for an additional traffic lane to improve traffic flow from the Royal Road off ramp. Traffic will be reduced to one lane in each direction and the median used by vehicles turning right onto Royal Road will be removed to build the new intersection.
