

9th February 2018

Welcome back to a new school year. It is great to be underway for 2018.

Meet the Teacher

Our Meet the Teacher evening will be Thursday 22nd February at 6.00pm. We would love you to come along and meet with your child's Teacher and hear about what we have planned for 2018.

Stationery

We have well priced stationery packs at school. Thank you for being prompt in equipping your children for learning so promptly. We do understand that there are a lot of costs at the start of the year.

Uniform

Our school uniform is available at Te Atatu Menswear if you need to update your child's uniform.

Hats

At this time of year, we are encouraging all students to wear a full brimmed hat for sun protection. Our school hat provides great sun protection and is available at the office as well as Te Atatu Menswear.

Bedtimes

Now that the holidays are over it is really important that your children are in good regular sleep patterns from Sunday to Friday. Obviously their bedtime is up to you but I suggest the following

Year one – four	7.30 Bedtime
Year five – six	8.00 Bedtime
Year seven – eight	8.30 Bedtime

It is also very important that they do not have a phone or other electronic device with them in the bedroom when they go to bed that they will use instead of sleeping. I know it has been hot at night but we want to give children every chance of a good night's sleep. Good regular sleep patterns are critical not only for your child's ability to concentrate at school, but also for their growth and development.

Whole School Trip 2018

Thank you so much for making our whole school trip to Tiritiri Matangi Island last year such a success. This year we are planning a visit to the Mangere Mountain Education Centre. This will be another wonderful learning experience. We are planning this for Term 2. I will share more details in upcoming newsletters.
