Meet the Teacher Evening

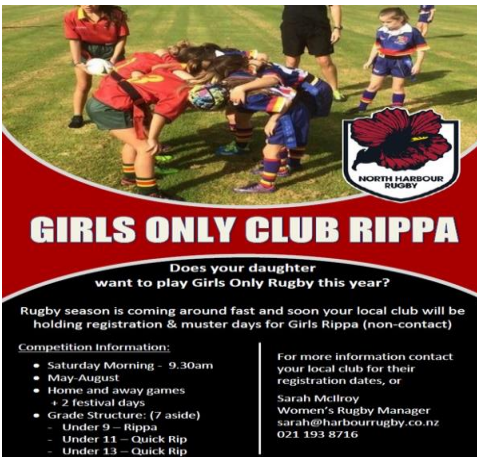

Thank you for coming along last night to meet with your child's Teacher. It makes a real difference if you can get to know the class, how it operates and make a connect with your child's Teacher. If you were unable to attend last night but would still like to meet your child's teacher, please contact the office to make a time.

ERO report on Royal Road School

Last year in the first week of Term four Royal Road school was visited by the Education Review Office who are independent auditors employed by the government to carry out external audits on schools. They then write a report about what they find. These reports are public documents and are published on their website.

We are very proud of the report the school received. We will put a link on our website. If you would like to find it yourself then please go to ero.govt.nz and search for Royal Road School, our latest report is dated 16 01 18.
