### Mangere Mountain Trip Term 2

After the success of the whole school trip to Tiritiri Matangi Island last year. We are very excited to confirm that the whole school trip this year will be to the Mangere Mountain Education Centre.

The children will walk on Mangere Mountain and will learn about what life was like on Mangere Mountain when it was a functioning Pa. They will also take part in workshops teaching traditional skills. This is going to be another wonderful day out.

Due to your fundraising efforts last year we have been able to pay for the cost of the buses for the whole school. This means that the cost of the trip will only be \$15 per child for the educational programme.

#### ***The dates for the trips are as follows:***

Tuesday 1 May	Room 4 & 5
Wednesday 2 May	Room 11 & 14
Wednesday 16 May	Room 3 & 6
Thursday 17 May	Room 15, 19 & 20
Friday 25 May	Room 12, 13 & 16

Please note that the first two trips take place in the first week back after the term one break. Please look for more detailed notices going home about your child's trip which will also tell you the number of Parent helpers we are able to take.

### Technology Parent Meeting

We are holding a Parent meeting on Tuesday 10 April at 6.00pm. We are looking forward to sharing with you some of the wonderful learning and work that your children are currently doing using our school Ipads and Chromes. We will also introduce a new App that will allow your child to share their work with you. We look forward to seeing you there.
