

6th July 2018

It was great to see so many of you at Parent Interviews over the last two evenings. Please remember that if you were unable to attend you can still contact the school and make a time to meet with your child's Teacher next term.

Thank you for your support of the school over what has been a very positive term. The whole school attending the Mangere Mountain Education Centre was a particular highlight. If you are looking for holiday activities the climbing and exploring of Auckland's other Volcanic cones is a lot of fun. Many were Pa sites just like Mangere Mountain and Mt Eden has just become car free. Best of all climbing our volcanic peaks is free entertainment on top of good exercise and on a clear winter day you get the best views.

The Beast within the Cave

I have travelled far from home to find the massive beast who lives in a dark and scary cave. It was the big beast in the cave, it was scary, it was hungry and the teeth were razor sharp like a T-Rex. But the beast is blue like a whale. The boy slayed the enormous beast. But before the beast gets slayed the boy knew it was blind.

Book Battle

My heart was racing, our team got called up to take our seats. People were clapping and cheering. We looked at each other exchanging afraid looks, I hesitated then stood up my team followed. We all took our places, there were two tables with four seats on each. They had little paper cards that represented the teams, Royal Road A, and Royal Road B. One on each table. The other teams stared at us as we sat down. We were presented with brown bags, one for each seat. Inside the bags were a book, a bookmark, and a few snacks. Other teams were called up to their seats our teams clapped and cheered for them too.

The two ladies presenting at the front finished their welcoming speech. Finally, the quiz

started we all rushed for our paper and pencils. Our team worked together to try and figure out all the correct answers. The quiz was made up of ten rounds and in each round there were ten questions so in total there were 100 questions that we had to try answer correctly. The quiz featured David Walliams' books, old classics and tons more!

Mid way through the quiz there were spot prizes specifically one prize per table and one lucky person would get that prize. The ladies presenting told us to check under our chairs and if we had a blue sticker we would win a spot prize. All the children sprang up and flipped their chairs over, luckily I got a prize. I went up to receive my prize and their lay a massive drawing book. I scooped it up and took it back to my table. After that chaos we continued with the quiz. Once the quiz ended we were shown our final scores. Sadly, Royal Road A nor B came in the top 3 but we got pretty close.

The event was very enjoyable and everyone loved it. Thank you to staff and parents who gave up their day to supervise us and drive us to the amazing event. Well done to all the children who participated hopefully you gained some knowledge and enjoyed the day.
