

26th March 2024

Thank you to everyone for all your support of all the activities and trips that have been taking place this term. These would not be able to go ahead without you.

Easter is coming up. Please remember that means a four-day school week followed by a three-day school week. Have a safe and wonderful Easter break.

For the safety of the students, the carpark is for staff only. Cars in the school grounds create a possible hazard for children, and their safety must surely be a major concern. Please do not park on either side of the front of the barrier gate as this blocks access for both staff and emergency vehicles.
