Parent Interviews

Thank you so much for participating in the parent interviews last week. Teachers really appreciate you making the time. They want to talk to you about your child's learning and progress. Teachers also want to learn from you about your child and look for ways to enhance that learning.

We offer face to face, zoom and phone calls because we know you are busy and have other commitments. Thank you for taking advantage of these options.

If you missed the interviews and would still like to schedule a meeting, please contact your child's teacher to work out a time that suits you both.

School Newsletter

We wanted to let you know about a small change we're making that will have a big, positive impact. From the end of this term, our school newsletter will move to a fully digital format.

You'll be able to read it easily on our school website and through the Seesaw app. This means no more lost paper copies, and families can check updates whenever it suits them.

Going digital also helps us reduce paper waste, support our sustainability goals, and free up valuable staff time that currently goes into printing and sorting hundreds of newsletters. It's a simple change that helps our environment, supports our team, and keeps information easy to access for everyone.

Thank you for being part of a community that embraces positive, practical steps forward.

Seesaw App

We use the Seesaw App to share and communicate with families!

Please send an email to: Miss Maria at morr@royalroad.school.nz if you require your child's QR code or need help downloading app and signing up.
