Roadworks in front of school

There will be roadworks in front of the school on Royal Road for the next couple of weeks while the bus stop in front of the school is relocated to a position slightly down the road. I hope that this will make the entrance to the school less congested and safer. It would be helpful if you could avoid this area as it will not be a safe place to pick up or drop off children.

If you do pick up your children it is a good idea to park further away from the school and have your children walk to meet you.

Teacher Only Day

There will be a Teacher Only Day on Friday 31st July. The school will be closed on this day for the teachers to participate in Professional Development for Maths.

Class Photo Day

Our School Photo day at school is on **Thursday 2nd July**. We would like to have close to 100% attendance on this day to get full class photos.

Sibling Photos: If you would like a sibling photo and all children in the photo attend our school, it is important that you fill in the sibling photo form, go to this link online

<https://forms.gle/Jye31sYduWgq7mQq8>

The link has also been added to Seesaw. If you are unable to complete the online form please pick up a sibling form from the office. If one of the children in your sibling photo does **NOT** attend our school, i.e. a preschooler, please complete the form and ensure that you are at school between 8.30am - 9.00am on photo day with that child/ren. If you have any problems or questions, please email Miss Maria at morr@royalroad.school.nz.

School Newsletter

We wanted to let you know about a small change we're making that will have a big, positive impact. From the end of this term, our school newsletter will move to a fully digital format.

You'll be able to read it easily on our school website and through the Seesaw app. This means no more lost paper copies, and families can check updates whenever it suits them.

Going digital also helps us reduce paper waste, support our sustainability goals, and free up valuable staff time that currently goes into printing and sorting hundreds of newsletters. It's a simple change that helps our environment, supports our team, and keeps information easy to access for everyone.

Thank you for being part of a community that embraces positive, practical steps forward.
